

What can parents do to support the placement?

Attend planned meetings for their child with the HIVE team.

Share relevant information.

Continue to support positive relationships between their child's school and HIVE.

Apply shared strategies, techniques and support from the HIVE team.

HIVE OutReach, DSPL 6 Primary Behaviour Provision

HIVE Outreach support is from referrals from schools within DSPL 6.

HIVE, DSPL 6 Primary Behaviour Provision

OutReach Support

HIVE is the DSPL 6 Primary Behaviour Provision which offers early intervention by experienced staff to support the Social, Emotional and Mental Health needs, including behaviour, for pupils, their families and local schools.

What is the local HIVE offer?

The Tiered Approach of support that HIVE follow aligns to the Hertfordshire Emotional, Wellbeing and Behaviour Strategy.

Universal and Universal Plus (Tier 1 and 2)

Individual School's responsibilities to meet SEND need within the mainstream school.

Targeted support (Tier 3)

Individual School's responsibilities to offer some children more targeted support within a mainstream school. However, some pupils' may need help from outside agencies. For children, Year 1-6, who need something more individual to meet their needs, as well as support from outside agencies there is: **HIVE Outreach support**; six sessions of provision. Small group or individual.

Observation, advice and strategies slots regarding individuals, small groups or whole classes.

Targeted Plus (Tier 4)

Those children, Year 1-6 who need intensive support in a smaller environment for a short period. **HIVE InReach short-term schooling**; usually twelve weeks.

Specialist (Tier 5)

For pupils where a managed move instead of permanent exclusion is sought. Also provision from Day 6 in cases of permanent exclusion until the Governors Discretionary Committee hearing there is: **HIVE InReach placement.**

HIVE OutReach, 6 sessions

HIVE Statement of Intent: HIVE 1:1 or small group Outreach provision will work with pupils and schools to develop understanding and acknowledgement of feelings and behaviours, through shared strategies and knowledge, enabling pupils to be successful within their setting.

What does HIVE provision look like?

OutReach 1:1

- Sessions include 1:1 and classroom reflections, delivered by a Behaviour Support Worker over 6 sessions
- Meetings with parents/carers and schools prior to provision starting with agreed focus areas of support agreed by all parties.
- Building capacity for individual pupils, parents/carers and schools through verbal feedback, shared targets, advice, strategies and actions.
- Regular verbal feedback, weekly feedback of notes and next steps sent to schools
- Support available for pupils Yr. 1 to 6
- Meetings with parents/carers and schools at the end of provision to reflect on impact and next steps.

OutReach Small Group

- Group programme delivered by a Behaviour Support Worker over 6 sessions
- Programmes include self-esteem, friendship, coping skills and emotional regulation
- Building capacity for individual pupils, parent/carers and schools through verbal feedback, shared targets, advice, strategies and actions.
- Regular verbal feedback, weekly feedback of notes and next steps sent to schools.
- Support available for pupils Yr. 1 to 6

What mainstream schools will do to support the placement?

School to send signed referral forms to the HIVE team.

Attend contact meetings arranged with **HIVE** and parents/carers.

School staff (This could be the teacher, 1:1 support, SENCo, member of SLT) to engage with the Behaviour support worker: through conversations, weekly E-mails to seek advice, to action strategies and suggested advice during the outreach period.
