## SEND Parent Information & Support Network

In partnership with the DSPL6 we offer several support services for parents of children with SEND. We run a Parent Support Network in Potters Bar once a month, a fortnightly on-line Parent Support Network and an online SEND surgery every half term.

The **Parent Support Network Potters Bar** is a drop in session running at Elm Court. We are a supportive group of parents and professionals who all want the best for our children. We offer a supportive environment where people can share a wealth of tried and tested ideas to support you and your family. You are welcome to attend each month or as your diary allows. Each session runs from 9.15am until 10.45.

The dates for the Spring term are

Thursday 8<sup>th</sup> January 2026

Thursday 5<sup>th</sup> February 2026

Thursday 12<sup>th</sup> March 2026

The **Family Support Network** is an exciting new drop group in **Borehamwood**. We offer a supportive environment where people can share a wealth of tried and tested ideas to support you and your family. We can offer advice on SEND needs, sleep, behaviour difficulties, housing needs, setting up a routine, benefit advice, toileting issues

We are currently in discussions with venues and more information will follow shortly.

Every half term we run an online appointment **SEND surgery** which is open to families with children that attend a Hertsmere school. These run throughout the day, which is split into free bookable 30 minute slots where you can discuss your child's SEND needs. **An Eventbrite link will be shared via our mailing list and our website a week before each surgery.** The dates of the SEND surgeries for this academic year are:
