SEND surgery

Every half term we run an online appointment SEND surgery which is open to families with children that attend a Hertsmere school. This is a free bookable slot where you can discuss your child's SEND needs with Cheryl Mence, Head of DSPL6 and Karen Follows, SEND school family worker. The sessions are held online over teams and run throughout the day. Each bookable session lasts for 30 minutes.

A link will be sent out a week before each surgery, which will allow you to book on. There will be 6 sessions available at each surgery. Once you are booked on, a google form will be sent to you, which will ask you to outline the topics you wish to discuss in your slot. We will follow up with an email containing information any links or information discussed.
